IN THE HIGH COURT OF JUDICATURE, ANDHRA PRADESH
AT HYDERABAD

(Special Original Jurisdiction)

WEDNESDAY, THE SIXTEENTH DAY OF NOVEMBER
TWO THOUSAND AND FIVE

PRESENT

THE HON'BLE SRI JUSTICE R.SUBHASH REDDY

WRIT PETITION No.17148 of 2000

Between:

C.Satyanarayana

..... PETITIONER

AND

The Superintendent, Government Mental Hospital,

Erragadda, Sanathnagar, Hyderabad.

.....RESPONDENT

ORDER:

This writ petition was filed in the year 2000, when the son of the petitioner was not admitted as an inpatient in the general ward of respondent-Mental Hospital.

It is the case of the petitioner that even though Doctors certified his son to be mentally sick, respondent-authorities did not permit his son to be admitted as inpatient in the general ward of their hospital by raising untenable objections. Aggrieved thereby, petitioner filed this writ petition.

Heard learned Counsel for the parties and perused the entire material available on record.

A perusal of the material available on record goes to show that on 21-09-2000, while admitting the Writ Petition, this Court *vide* W.P.M.P.No.21801 of 2000, dated 21-09-2000, passed the following interim order:

> " The petitioner, along with his wife i.e., the mother of the patient C.Anantha Krishna, are directed to approach the Superintendent, Govt. Mental Hospital, Erragadda, Hyderabad, today itself and they are directed to produce the certificates issued by the earlier doctors, who treated the patient C.Anantha Krishna and certified that the patient is a mentally sick person. Basing on these documents, the Superintendent, Government Mental Hospital, Erragadda is directed to consider admission of the patient C.Anantha Krishna in the Hospital without referring to other formalities. If the Superintendent, Government Mental Hospital, Eragadda feels that it is a fit case, then he is directed to give proper treatment to the patient C.Anantha Krishna.
>
> The parents of the patient i.e., petitioner and his wife are directed to give their consent forms as required under the provisions of the Mental health Act, 1987."

In view of the nature of the relief sought for, and having regard to the interim order passed by this Court on 21-09-2000, nothing survives for adjudication in this Writ Petition, and therefore, no further orders need be passed.

Writ Petition is, accordingly, closed. No order as to costs.
